

October 16, 2020

Hellenic Home for the Aged Inc. has two Long Term Care facilities, one in Scarborough with 128 beds and another in Toronto with 81 beds.

Our Home in Toronto is in a suspected COVID-19 outbreak as we had one staff member COVID-19 positive who is self-isolating at Home.

Our Home in Scarborough is in a suspected COVID-19 outbreak as we had two staff members COVID-19 positive who are self-isolating at Home.

We have advised the families of the outbreak and we are in constant communication with Toronto Public Health and the Ministry of Long-Term Care on their direction.

We would like to take this opportunity to extend our gratitude and appreciation to all our employees for their dedication in keeping our residents safe as well as all the Foundations, Associations, family members and donors that are assisting in our efforts with their donations.
