Dear Friends of the Hellenic Home,

Please accept this letter as an update to our Walkathon's new location & route.

*We have changed our walkathon to start from the **Holy Trinity Greek Orthodox Church (54 Clinton Street) to our Hellenic Home in Toronto (33 Winona Drive) in Estia.** The Walkathon will be held on Sunday, June 2 where there will be celebrations for the whole family! Registration will begin at 12:00 p.m. outside of the Holy Trinity Greek Orthodox Church, followed by the walk which will begin at 1:00 p.m. Our bus will follow the walkers and will be accessible for those that cannot make the entire distance. In addition, our bus will be available to take the walkers back to Holy Trinity Greek Orthodox Church at the end of the event.*

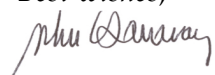

As you know the prevalence of COVID related virus's is still high in our community and our most vulnerable are the ones that suffer the most. Our industry is still experiencing outbreaks and following the direction of Public Health when this happens our Nursing Homes do not allow access to the community. Therefore, we want to avoid the risk of having it in Scarborough and while we tried to have part of the festivities in the vacant lot, the estimated costs of this endeavour would far exceed the revenues. Estia on the other hand is not currently subject to Ministry of Health lock downs.

We ask that you make a special effort to come out with your family & friends to support a great cause. Please join us in celebrating together with our seniors and enjoy the day with a BBQ and a free loot bag including a T-shirt.

We look forward to seeing you, your family and friends at this year's Walkathon to celebrate 43 years of community support towards delivering exceptional care and services to our seniors and to many more to come.

For more information, please contact Patty Agrapidis, Special Events and Annual Giving Coordinator at (416) 654-7718 ext. 2228 or at pagrapidis@hellenichome.org or visit our website at www.hellenichome.org.

Come walk for those who can't.

Best wishes,

*John C. Fanaras
