### Families and Friends of Hellenic Home Scarborough

Our management team has been diligently working on the Home's Quality Improvement Plan which will be submitted to Ontario Health (previously known as Health Quality Ontario) by March 31, 2025.

Change and challenges have always been a constant in Long-Term Care, and the pandemic resulted in many changes to the operations in Long-Term Care. Despite these changes our staff remained true to their core values and to the commitment of always delivering the best care to our residents.

Consequently, this was evident in the Resident and Family Satisfaction survey results. Hellenic Home Scarborough is appreciative to our residents, families and staff as we have received some of the highest benchmarked results from the Satisfaction Surveys which compares the Home's results, to results of several other not-for-profit Long-Term Care Homes.

You can view and read the full details of the surveys on the T.V near the main reception.

We congratulate all the staff on the results of the Resident and Family satisfaction surveys. Moreover, a special thank you to our residents and families for their participation and continued support for Hellenic Home Scarborough.

Thank you,  
Hellenic Home for the Aged Inc.
