Building A Legacy Of Care

Dear Friends,

It is my great pleasure, on behalf of the Board of Directors and the Hellenic Home community, to invite you to our 26th Annual Fundraising Gala.

For more than two decades, this cherished evening has brought together families, friends, community leaders, and generous supporters united by a belief we hold deeply: that those who have contributed so much to our community deserve to age with dignity, compassion, and the comfort of their culture, language, and traditions.

This year, our Gala carries particular significance. Construction is well underway on our new 128-bed Long-Term Care Home in Scarborough—a landmark $67 million investment and the largest capital project in Hellenic Home's history. This new residence will nearly double our long-term care capacity and provide a beautiful, modern environment designed around the needs and well-being of future generations of seniors. We are also pleased to share that the Scarborough facility is expected to be completed by June 2027. We have also received approval to expand our Toronto facility and will be moving forward with the expansion shortly.

Thanks to the extraordinary generosity of our community, more than $4.2 million has already been raised toward our $7.5 million Capital Campaign. We are immensely grateful to everyone who has helped make this progress possible.

As we celebrate this remarkable milestone, we invite you to help us bring this vision to completion. Your support is an investment not simply in a building, but in a future where seniors and their families can continue to find exceptional care, belonging, and peace of mind.

I look forward to welcoming you on November 14 as we celebrate our community, our progress, and the enduring legacy we are creating together.

With sincere gratitude,

John C. Fanaras

Dear Friends,

It is our pleasure to invite you to an evening of celebration, generosity, and community at Hellenic Home's 26th Annual Fundraising Gala.

This year's Gala is especially meaningful as we celebrate the progress of our new 128-bed Long-Term Care Home in Scarborough. This is an important milestone for Hellenic Home and for our community, and we are grateful to everyone who has helped bring this vision closer to reality.

On November 14, we look forward to welcoming you to the Crystal Fountain Event Venue for an evening of wonderful food, fine wine, great entertainment, a lively silent auction, and inspiring stories from the people whose lives are touched by Hellenic Home.

There are many ways to be part of this important evening. Whether you join us as a guest, host a table, become a sponsor, participate in the auctions, or make a contribution, your support will be forever appreciated. Together, we are creating a home where future generations of seniors can continue to receive outstanding care while remaining connected to their culture, traditions, and community.

The strength of Hellenic Home has always been its people. We are deeply grateful for the generosity and commitment that have brought us this far, and we look forward to sharing this special evening with you on November 14 as we celebrate what we have accomplished together and continue building the future of Hellenic Home.

Warmly,
